

Connecting Your Credit Card Terminal

Connected Accounts allows your practice to receive daily deposits from OrthoFi, accept more payment types, and get access to card present rates to save your practice time and money.

How to Connect Your Terminal

- Insert the battery into the Terminal
- Charge the terminal using a USB cable
- Turn on and connect to WiFi
 - **Wifi Network Must Be Secure**
- Continue through the setup process IE:
 - Language, Country, etc.
- Once completed, call:
 - **OrthoFi Support: 877-766-5220**
- A random 3 word phrase will appear on the screen that needs to be given to Support in order to connect the terminal to your OrthoFi account.
 - **Please note that this phrase will change every few minutes and will require the screen to be refreshed**
- **CONGRATULATIONS! You are now connected!**
