

PPO Process

Select applicable additional charges per carrier rules. When allowed by the carrier, including records can help minimize the in-network discount taken by the provider and maximize the reimbursement for your patient.

NOTE:

*IF you are unsure what you may charge additionally for, please contact provider relations for EACH network to confirm adjunctive services allowed in conjunction with treatment

1 Begin by making your 'Treatment Selections'

2 Open '+Add New'

'The below window appears after "Add New" is clicked;

3 *Optional*

▶ Select the applicable 'Additional Costs':

▶ 'Click' CLOSE

4 Make sure to Include all of the record fees
