INSURANCE ESTIMATES & CALCULATIONS

OrthoFi estimated insurance benefits are calculated on this page based on the treatments selected, benefits verified by OrthoFi, and the Doctor's network relationships with specific carriers.

Estimated Insurance Benefits

Insurance Carrier	Status	Amount	Open
▼ Metlife Insurance Payment 50% up to \$1,975.00 Insurance Relationship In-Network Plan Type PPO Standard Age Limit 99 Assignment of Benefits Practice	Complete	\$ 1,975.00	

Click here to open the Eligibility Check Summary

INSURANCE NETWORK DISCOUNTS

- Total in-network discount is calculated by comparing your treatment fee with contracted rates by procedure code(s) added by you.
- It is your practice's responsibility to maintain your network agreement with carriers, and select additional costs, etc. per your network specifications.
- OrthoFi software will not automatically adjust your treatment build by network.

Courtesies

Description	Percent	Amount	Remove
<u>Total Network Discount</u>	3.00%	\$ 150.00
