

Percentage Process

Adjusting the Network discount to the correct percentage of discount per your agreement with the carrier.

Navigate to the Treatment Details Page.

After you have made all of your 'Treatment Selections' Direct your attention the 'Courtesies' field.

Manually change the 'Percent' by typing the correct percentage for the "Total Network Discount" in the 'Percent' field

Estimated benefits may be reduced once percentage discount is applied. Manually change the 'Estimated Insurance Benefits' by typing the adjusted amount when necessary
